GIRLS FOOTBALL

Dear Parent,

WELLAND JUNIORS would really like to expand girls only football and are looking for mums who would like to become involved and help us start to run girls teams and enter the local leagues.

Full subsidised training is available with the WFA and there is a WOMENS ONLY course during October.

For more information please give me (07768 657870) or Don (310109) a call.

Many thanks

Peter
